# DYNELLO® Manual Bandage Roller

RS0602

**PRODUCT DESCRIPTION**

Manual bandage winder with an innovative guide system that stretches and directs the bandage during winding, so that each roll is wound perfectly. Designed in two parts, including base and crank. Extra-strong design with stainless steel prongs that won't break when the bandage is stretched.

Simply roll up your bandages at your own pace.

+ Horse bandages
+ Sport wraps
+ Compression bandages
+ Best for max. 100 mm wide bandages
